

## Supplementary Figure

### How does variance in fertility change over the demographic transition?

Daniel J. Hruschka\*, School of Human Evolution and Social Change, Arizona State University, USA

Oskar Burger, School of Anthropology and Conservation, University of Kent, UK

*Philosophical Transactions B* doi: 10.1098/rstb.2015.0155

**Figure S1.** Crow's Index of Selection Due to Fertility and the Coefficient of Variation in Completed Fertility by Mean Completed Fertility (n = 182). Error bars are standard errors of the mean.
